Secrets of apartment house wrestling: why they do it

By Waldo Firmaca

dowager is to a Ming vase.

The aforementioned scene took place in Milwaukee not so long ago and the red head who answered to the name of Roseanne was a legal secretary in the city that beer made famous.

The adversary was an equally attractive brunette who began the match wearing a mask and was introduced as Violent Violet.

Before the bell rang — the bell in this case being an electric alarm clock — Violet's sobriquet appeared a complete misnomer.

She was a perfect 36-24-35 and really did for a bikini what every girl is supposed to do. Like her "friendly" rival, Violet was a secretary and perhaps affected a mask so her boss wouldn't know what she did as a hobby.

Roseanne weighed 123 pounds and her measurements were almost a carbon copy of Violet's.

Like most apartment matches, there was no referee and it is usu-

In recent months girls' amateur wrestling in apartment buildings has taken on many aspects. But one of the more unique situations we've run into was a masked miss who bills herself as Violent Violet and who starts off by trying to relieve her opponent, Roseanne, of her bikini...

The statuesque redhead stood rubbing her bruised breast as tears welled up in her big blue eyes.

Twin mounds of white flesh were slightly discolored... bruises made one think of red pepper as the young lady limped out of the room.

It was just another scene which has become typical throughout America today as girls' amateur apartment wrestling is catching on beyond the wildest dreams of the partici-

pants.

There are no formal tournaments or governing organizations as yet but the athletic young women appear to be turned on to the sport like a

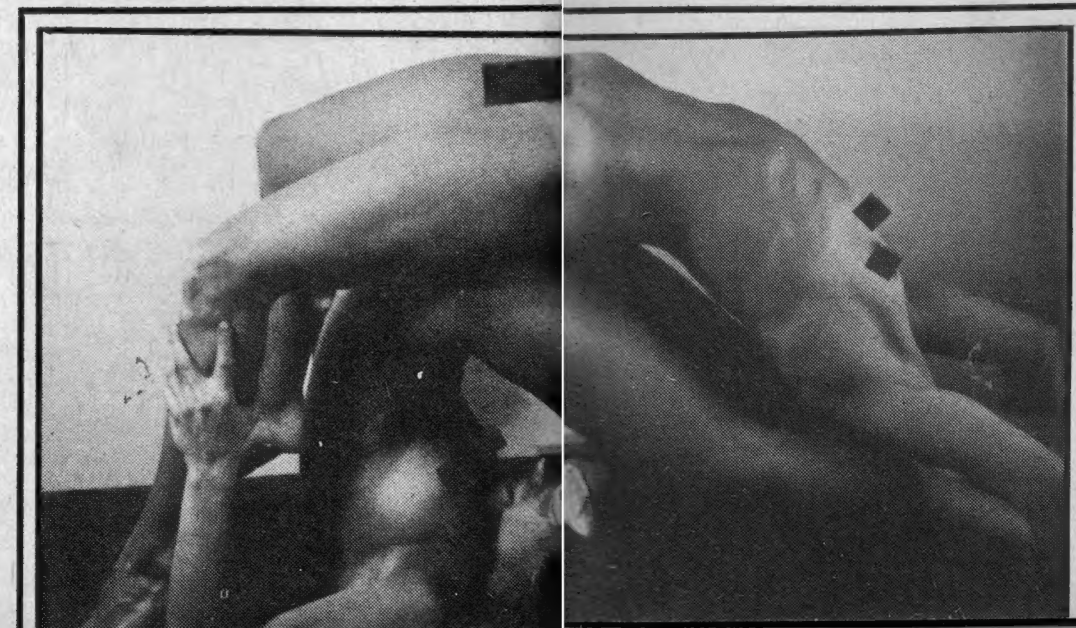

Roseanne still is on her knees as Violent Violet tries to strip her opponent on the theory if she is nude the brown-haired young lady will be too embarrassed to think about wrestling...

Both young ladies are obviously excellent gymnasts as Violent Violet rocks back and forth on her back while Roseanne tries to bridge her way out of this precarious position.

Violent Violet really lives up to her name as she tries to throttle her rival with a choke hold...

ally a battle to the finish. Since all condominiums have a space limit, only a select audience is invited.

The girls had some knowledge of wrestling holds but they were the basics like a head lock, toe hold, scissors and arm bar.

Once they swung into action, everything and anything went with Violent Violet striving to separate Roseanne from her bikini as quickly as possible.

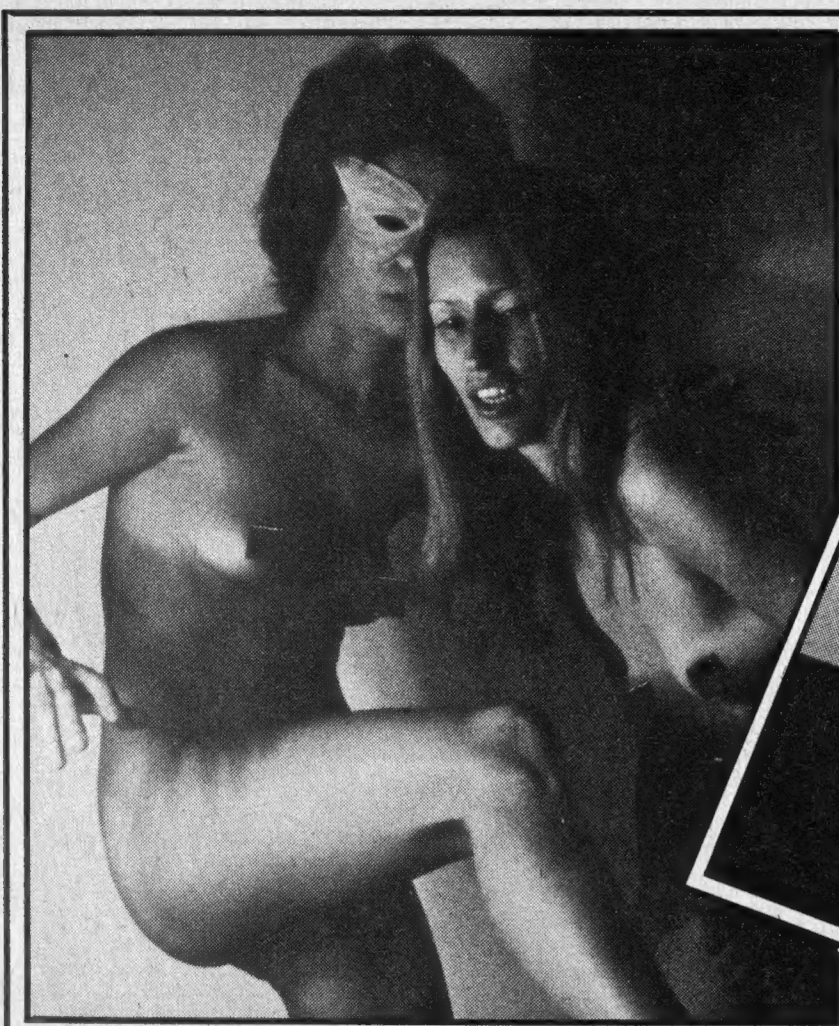

When the masked lady ripped off the powder blue bra, the audience roared but it was quite a struggle before Violet could pull the bikini briefs over Roseanne's long legs.

Roseanne's temper matched her red hair and she was infuriated as she tore into Violet.

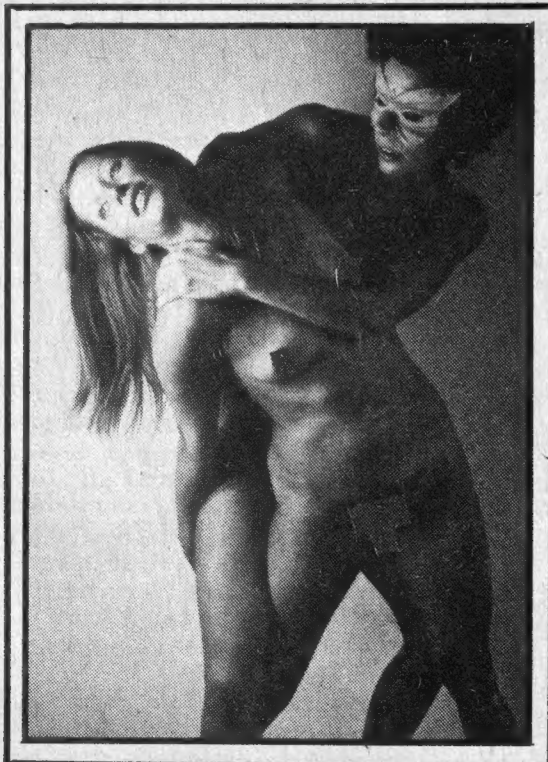

If all the windows hadn't been locked as safety precaution, Violet's bra and pants would have probably landed in the street 17 floors below. Roseanne asked and gave no quarter as she tore and clawed at the last remnants of the Violent one's bikini.

Now both girls were as bare as the first time they were burped but it didn't deter them from inflicting mayhem that completely belied their femininity.

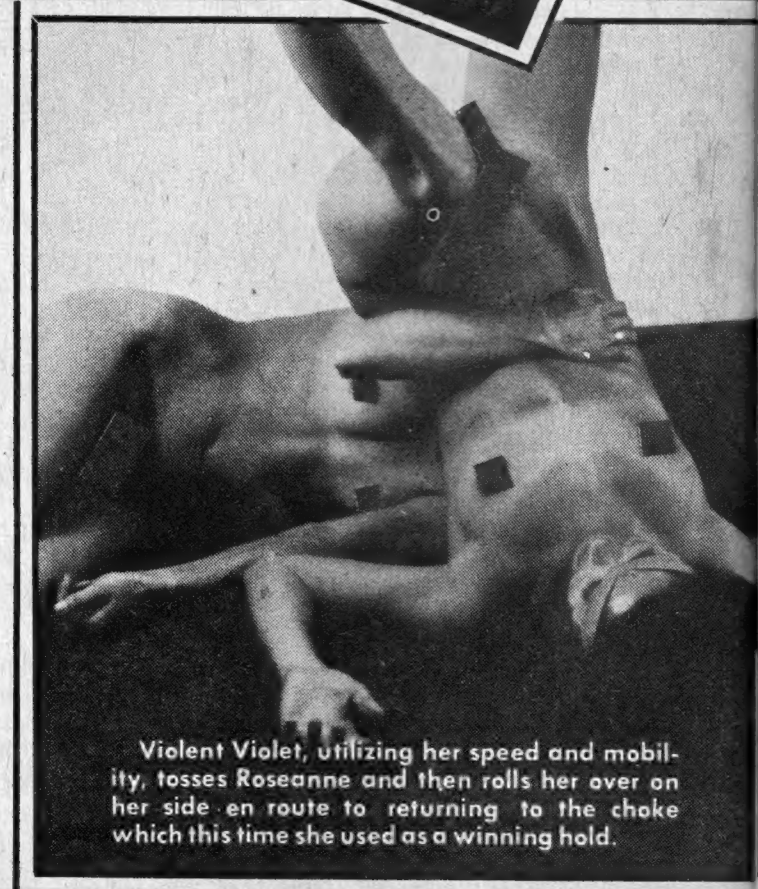

Roseanne and Violet both took turns gaining near pins but each time the girls managed to escape.

When Violent Violet has an opponent in trouble she never lets up and here the raven-haired masked wrestler prepares to deliver a knee kick to Roseanne's stomach.

Roseanne is now trying to work Violent Violet off her feet but the latter again goes for a choke hold and is determined to use it again...

Violent Violet, utilizing her speed and mobility, tosses Roseanne and then rolls her over on her side en route to returning to the choke which this time she used as a winning hold.

Violent Violet obviously had less regard for sportsmanship and she repeatedly stunned her curvacious opponent with choke holds.

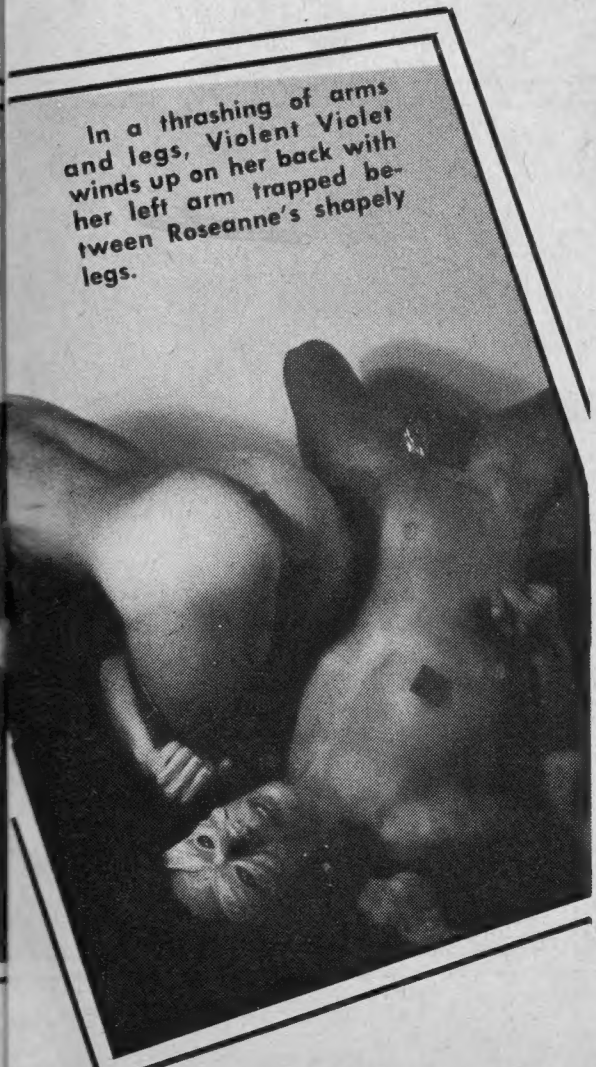

Violet was pure violence when she delivered a vicious knee kick to the stomach which sent Roseanne sagging to the floor.

The masked menace then kicked Roseanne in the chest and head and had her completely softened up for the coup de grace, rolling the tiring young lady on her side and clamping on a punishing choke hold.

Coughing violently, Roseanne acknowledged submission in a match that was sensual as it was vicious.

The next time you are in Milwaukee and see a tall, attractive young lady with flashing brown eyes, proceed with caution. You might be talking to a Violent Violet and she really is...

Roseanne has Violent Violet on her back and is trying to figure out an angle in scoring a winning pin...

In a thrashing of arms and legs, Violent Violet winds up on her back with her left arm trapped between Roseanne's shapely legs.
